National Motorcycle Museum Announces 2007 Raffle

FOR IMMEDIATE RELEASE - March 8, 2007; Anamosa, Iowa -

Get your tickets today!! The National Motorcycle Museum is happy to announce that tickets are now on sale for your chance to win this beautiful 2007 Custom Bobber. Custom built by J&P Cycles® and painted by Chad Renken from Def Air Custom Paint in Cedar Rapids, IA, this years bike is a beauty! This cool, retro Bobber features an Xotic Knucklehead® style RevTech® motor and 5 speed transmission generously donated by Custom Chrome®. Tickets are on sale now! Don't miss your chance to win this awesome motorcycle!

Tickets are only \$5 each, or 6 tickets for \$25. Tickets can be ordered by sending your check to: National Motorcycle Museum, P.O. Box 405, Anamosa, Iowa 52205. You can download the orderform from their website www.nationalmcmuseum.org, or simply send in your request and payment. The drawing will be held on December 28, 2007. You need not be present to win.

For this years raffle bike, J&P Cycles once again created a one of a kind custom bobber. Like last year, manufacturers around the motorcycle industry jumped at the chance to be involved in this special project with J&P Cycles. "It is a great way for parts manufacturers to support the museum," said Museum Director Jeff Carstensen. "They know that J&P Cycles will create an outstanding raffle bike for the museum and they love the fact that money raised help the museum continue to preserve the history of the sport we all love."

Designed by J&P Cycles® bike builders Jeff Wiley and Kody Wisner, The Rigid frame was generously donated by KraftTech and staying with the historical scheme for the build, the paint is themed after a 1940's Crocker motorcycle. This years bike will also be featured once again in the May, June and July issues of Hot Bike Magazine. So be sure to pick up your copy and see this beauty come together from start to finish.

"The support of the motorcycle industry again this year is fantastic," said John Parham, President of the Museum's Board of Directors. "And the styling of this years motorcycle is great. While the motorcycle has a very nostalgic flair to it, it incorporates all of today's technology and safety features including front and rear disc brakes and an electric start. The finished product includes the best of both worlds and we are very excited to get it out in front of the public."

The Museum would like to thank everyone involved for their generous sponsorship of this years raffle fundraiser motorcycle: J&P Cycles®, Def Air Custom Paint, Performance Fabrication, Avon Tyres, DNA, Custom Chrome, Crocker Motorcycle, New York Custom Choppers, Goodson Air Cleaners, Performance Machine, KraftTech, Milwaukee Twins, Wires Plus and Hot Bike Magazine.
